A committee of teachers, counselors and administrators were asked to create a new schedule to provide Simonsen, JCHS & NCC students the opportunity to enroll in more classes. Teachers at those buildings were given three new schedule options to choose from. The above schedule, a 10-Block schedule with collaboration time, was preferred by 83% of those staff members.

*FAST Class stands for “Focused Academic Success Time.” This course is aimed to make sure all students are successful with and prepared for the additional courses they’ll be taking under this new schedule. For some students, it will serve as a study hall-type of time, while for others, this will be an opportunity to get additional help needed from teachers or participate in credit recovery.
