## Team Communication

PRIDE Team uses Infinite Campus Messenger to communicate with parents/guardians. If your email address is up-to-date you will receive an email from us as well as a notification in Parent Portal.

Once a week, usually on Wednesdays, we send out an email letting you know what we are doing in each of our classes. We also send team announcements this way.

# What do you need to bring the 1st day of school?

1. Your district assigned Chromebook, fully charged and ready to go!
2. Your Chromebook charger.
3. A book to read. Literacy is important! It will be a few days before we are able to go to the library to check out.
4. A small backpack, big enough to carry your everyday school supplies, but not big enough to carry your entire bedroom (: We have limited space in our classrooms as is.
5. A light jacket, cardigan or hoodie. Some of our classrooms can be rather chilly when the AC is blowing.
6. A lanyard student ID.

# Friendly Reminders: It's been awhile since we've been in school.

1. Upon entering the building, turn cell phones off and put them in your backpack.
2. Remove earbuds from ears and put them away.
3. Remove hats and head coverings and put them away.
4. Make sure your clothing is appropriate for school. Does it fit appropriately? Does it cover areas that should be covered? Does it say something offensive?
5. Deodorant is your friend! Even if you don't think you need it, get in the habit of applying it. You're a 7th grader now, you're growing up and personal hygiene is important.
6. Bring a water bottle, plastic, non-tinted, and filled with water only.
