Hour 6	1:53 - 2:44	Algebra 1
Hour 7	2:49 - 3:40	Pre-AP Geometry with Statistics

WELCOME TO CCHS!

I am so excited to start the new school year and meet my new students. This year I am teaching Algebra 1, Pre-AP Geometry with Statistics, and Civil Engineering and Architecture. I teach Health in the Summer. Capital City High School welcomes you, and we are thrilled to have you join our family. You are an important part of an extraordinary team here at CCHS, and we are truly better together. Let's have another great year! Go, Cavaliers, Go!

The Math Team's favorite day is...
...Pajama Day.
#BetterInPajamas

Meet the Woiniczes

We have had a very busy and exciting Summer! My husband, Dean, and I celebrated our third anniversary at the very end of July. We have two orange tabby cats, Kobe Bryant and Carmelo Anthony. Carmelo likes to climb in my book bag and try to come to school.

I had an amazing time teaching Health in Summer School this June. I had a great group of students and the four weeks just flew by.

Dean and I have tackled some big projects in the yard this summer. The projects were probably normal-sized, but felt like a lot in the heat! We love pickleball, roller skating, cooking in a crockpot, and formal wear for cats.
