WELCOME TO CCHS!

I am so excited to start the new school year and meet my new students. This year I am teaching Algebra 1 and Pre-AP Geometry with Statistics. I teach Health in the Summer. Capital City High School welcomes you, and we are thrilled to have you join our family.

You are an important part of an extraordinary team here at CCHS, and we are truly better together.

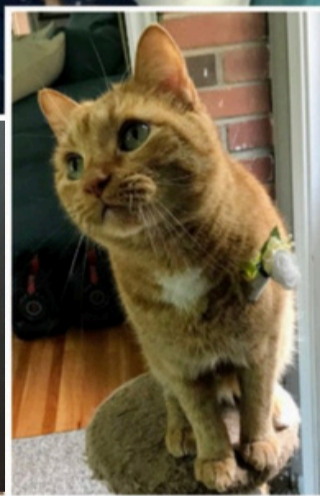

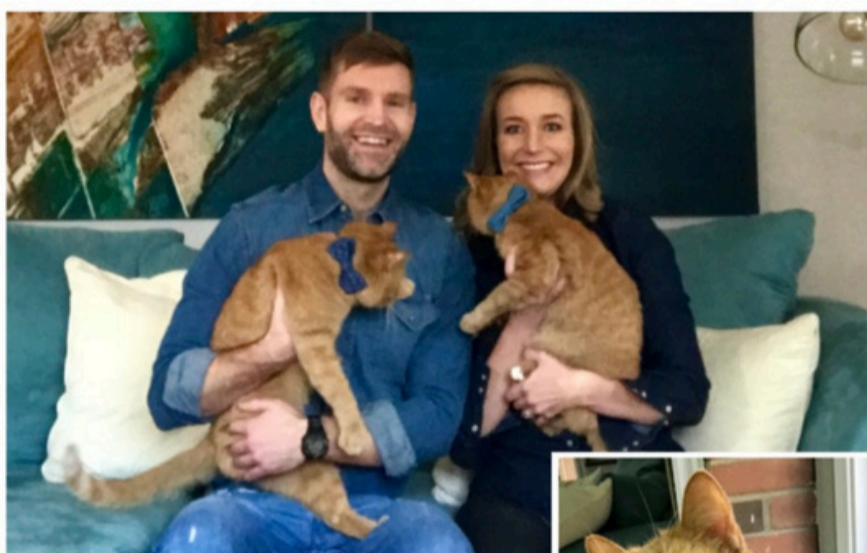

Let's have another great year!

Go, Cavaliers, Go!

The Math Team's favorite day is...

...Pajama Day.

#BetterInPajamas

Meet the Woiniczes

My husband, Dean, and I have two orange tabby cats, Kobe Bryant and Carmelo Anthony. Carmelo likes to climb in my book bag and try to come to school. Kobe is looking for a prom date; he's already got his boutonniere.

Dean has turned our yard into a beautiful sanctuary for birds. He has had to fight the squirrels and moles for every square inch. The squirrels are still putting up a fierce resistance by burying rocks in the grass just to bug him.

I have been learning how to cook things besides pancakes, tacos, and spaghetti.

Dean and I love pickleball, roller skating, and formal wear for cats.
