Hour 5	12:57 - 1:48	Algebra IB
Hour 6	1:53 - 2:44	Algebra IB
Hour 7	2:49 - 3:40	Algebra IB

# Welcome to CCHS!

Hello!

Welcome to another school year!

This year I will be teaching Algebra 1 and 1B. I am excited to continue to work with the same students as last year in growing their algebra skills, and work with new students as they start their high school journey. Lets have a great school year!

Meet

## Mrs. Gilbert

I am excited to be teaching at Capital City High School and look forward to starting this school year. This will be my eighth year teaching, all of which have been in the Jefferson City School District. I have a Bachelor of Science degree in Education from the University of Missouri (Go Tigers!) and a Masters of Education in Administration degree from William Woods University. My husband and I reside in Jefferson City with our three daughters and a dog. Outside of school, our family enjoys attending St. Louis Cardinals games and Mizzou football games. We also enjoy spending time at our family lake house during the summer. In my spare time, I enjoy reading, baking, and spending time with family.
