Welcome to CCHS!

I am so excited to start the new 2024-2025 school year and meet my new students! This year I am teaching World History, Psychology and Sociology. I can't wait to meet all of my new students and see you all grow. Capital City High School welcomes you, and we are thrilled to have you join our family. You are an important part of an extraordinary team here at CCHS, and we are truly better together.

Let's have another great year!

Go, Cavaliers, Go!

Meet

Ms. Southwick

This summer was full of calm and fun! I spent time with my parents & pup this summer, which has been amazing and a big break. Adventure is always something that I enjoy, along with reading, music, and watching some of my favorite shows.

I am beyond excited to start this next year as I continue to get to know Jefferson City and the community of CCHS!

Know more about me:

Experience

This is my 3rd year teaching and my second year at CCHS. I love to inspire students to be life long learners and believe that its important to grow both in the classroom and outside of it.

Education:

I learned my Bachelors of Science in Secondary Social Science Education, at Southwest Baptist University. I intend to start my Masters of History very soon.
