I will be teaching Tech Math 1, Academic Lab, and I will also be doing TIP Government! Capital City High School Welcomes you, and we are thrilled to have you back in school. Lets have a great year Cavaliers! Go, Cavaliers, Go!

Meet Hunter

I am very excited for the school year to start as this is my first year teaching! I graduated in May of 2022 from the University of Central Missouri with my Bachelor's degree in Cross-Categorical Special Education!

Along with this being my first year teaching, it will also be my first year coaching. I will be coaching Freshman Football!

I am looking forward to the 2022-2023 school year! I can't wait to meet everyone and get the school year started!
