Hour 5	12:57 - 1:48	Plan
Hour 6	1:53 - 2:44	Data/RTI
Hour 7	2:49 - 3:40	Algebra 1B

Welcome to CCHS!

Hello Everyone!
Welcome to the 2024-2025 school year!

I am excited for my second year being part of the Capital City High School Family. I will be teaching Algebra 1A and Algebra 1B. I am excited to begin my second year at CCHS. I am excited to grow with my students through out this year in their mathematics education. I am looking forward to working with you, let's have a great school year!

Meet Mrs. Tessmer

Hello, Capital City High School! I am excited to start the 2024-2025 school year. This is my fifteenth year as a teacher, 12 of which has been with special education 3 in general education. This will be my second year with Capital City High School. I have a Bachelor of Science degree in Education from Drury University. I received my Masters of Education along with my Math Specialist, and Curriculum and Instructional Design Specialist from Missouri State University. My husband and I live at the beautiful Lake of the Ozarks with our two children, and three dogs. We just finished building our dream house on the hill overlooking the lake and our dock. Outside of school, we enjoy going on boat rides, kayaking, hiking, and we are huge hockey fans (Let's Go Blues!).

Personally, I am an avid reader of most things, love cooking for my family, spending time by the fire (indoor or outdoor), and I intermediately run/walk 3 to 5 miles at least 5 days a week, it's good for my mind, body and soul!
