Hour 6	1:53 - 2:44	Pre-AP Geometry
Hour 7	2:49 - 3:40	Geometry

Welcome to CCHS!

I am so excited to start the new school year and meet my new students. This year I am teaching Geometry and Pre-AP Geometry with Statistics.

Capital City High School welcomes you, and we are thrilled to have you join our family. You are an important part of an extraordinary team here at CCHS, and we are truly better together.

Let's have another great year!
Go, Cavaliers, Go!

Meet The Loves

I am excited to be teaching at Capital City High School as I enter my 16th year of teaching math. I am originally from Kansas City, but I have been a resident of Bolivar, Missouri since 1998 when I left home to go to Southwest Baptist University. My husband, Andy, is also an educator and is the new principal at West Elementary here in Jeff City. We have three fun-loving kids who will be attending CCHS this year with me. Our oldest, Ramsey, is a senior, our middle son, Jett, is a junior, and our daughter, Parker is a sophomore.

When we're not at school, you'll find us enjoying time as a family playing board games, watching movies, taking walks, or going to Mizzou athletic events. I also love to read in my hammock, listen to records on our record player, puzzle, and watch the Kansas City Chiefs win football games.
