Welcome to CCHS!

I am so excited to start the new school year and meet my new students. This year I am teaching Geometry. Capital City High School welcomes you, and we are thrilled to have you join our family. You are an important part of an extraordinary team here at CCHS, and we are truly better together. Let's have another great year! Go, Cavaliers, Go!

Meet the Georges

Hi! We are the Georges. My husband, Daniel, and I are new to Jefferson City.

We are both Missouri natives. My husband is a student pastor, so we spend a lot of our time with high schoolers!

Together, we have a son named Drew and a dog named Winston. A lot of our free time is spent chasing Drew and Winston around outside. We enjoy trying new coffee shops and restaurants and spending time together outside.
