Phone: 573-659-3155

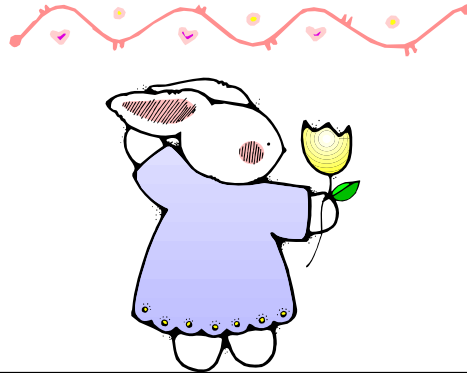

Plan Time: 12:55 – 1:45

Peep, peep, peep, peep.....
were the sounds from our room
this week. This week we had the
wonderful opportunity of
hatching eggs into chicks and
watching the chicks grow and
change.

"THANK YOU" Belair PTA and
4th for sharing your chicks with
us and allowing us this wonderful
opportunity. We have
loved this experience
and are super sad to
see our new friends
leave.

Happy Easter wishes!

= MATH

This week we continued to work through Module
5: Units of Ten: Topic C – Addition of one-digit
and two-digit numbers.

Continuing to work with two-digit numbers and
tens and ones this week our learning targets
were: How does the make the next ten strategy
help us add, How can it be useful to look at the
number in the ones place before solving a
problem and Ways to add or take away ten
more.

We had fun analyzing - reading, solving and
validating our reasoning – as we worked with a
partner to solve a two-digit plus a one-digit
number sentence THEN sorting the number
sentence into a category – Makes Next 10,
Makes Next 10 and extra ones or Does Not
Make a 10.

AMPS Rotation

4/21 – 4/25
