Here's the 'scoop'!

First Grade is quickly coming to an end

The next two weeks we will be taking our end of year i-Ready diagnostics. This assessment is a district requirement. All students will test in both reading (ELA) and math.

★ Tues, May 6th – Fri, May 9th students will test in ELA (reading)

★ Tues, May 13th – Fri, May 16th students will test in math.

End of year testing results will be sent home with your child's final report card on the last day of first grade.

CELEBRATE!

We are 152 days
SMARTER!

🕒 14 days of 1st grade left!

3 – Mondays,
Tuesdays, Wednesdays and
Thursdays
AND
2 Fridays remain.

= MATH

This week we began Module 6: Attributes of shapes.

Through this module students will expand their knowledge of defining attributes, the mathematical characteristics of a shape, to describe flat shapes.

Shapes we'll be working to describe include: triangles, hexagons, quadrilaterals, trapezoids, rectangles, rhombuses and squares.

Attributes of the different shapes we'll be working to identify and describe will be: number of straight sides, equal-length sides, and parallel sides.
