Here's the 'SCOOP'!

* A September reading challenge log has been added to your child's communication folder. This is a library challenge from Belair's Librarian Mrs. Wildhaber. Students are encouraged to read a book, or chapter of a book each night for the month. Color a book on the reading log each time a book/chapter is read. Logs will be collected each month and a new library challenge will be placed in your child's folder. Students will be rewarded each month for completing each month's reading challenge, as well as completing each month's reading challenge for the whole school year.

* A message from the Office --

Please be sure read to all information that comes home in home communication folders and/or through e-mail. Mr. Shalz will be sending a monthly Belair email that will contain important information for you to read through.
