October is.....

National Bullying Prevention Month

This week we focused on the powerful things you can do to help stop bullying when you're a bystander. We began our lessons this week by exploring the word: bystander. Mrs. Hall stood in front of us and ripped up a piece a paper. She then got us thinking and talking as she asked: what were you doing as I ripped up the paper? We were bystanders - we were standing by, watching something happen. After discussing our new vocabulary word and watching the video scenario 'Gabe's story', we learned how being a bystander can: have the power to help STOP the bullying OR make the problem bigger by joining in, laughing and not reporting.

If you want more kindness in the world, put it there! 

Wednesday morning we happily welcomed Gabriel Colon to our classroom.

Gabriel is joining us from Thorpe Gordon Elementary. We are excited to have Gabriel learning with us!

Our classroom total is now 19 friends.

Welcome Gabriel!
