Plan Time: 12:55 – 1:45

1ST PLACE

THANK YOU for all your creative ideas and hard work on our 'Turkey disguise' homework project! Mrs. Hall is thoroughly impressed with all the outstanding and wonderful turkeys. From Santa, a gumball machine, a beautiful peacock, a ballerina, a black cat, a ninja turtle, a farmer girl, and even Beetleguse --- they were all AMAZING!!! We were super excited to share our work and see our friend's turkeys. As a learning connection to our project, we enjoyed reading Turkey Trouble and A Plump and Perky Turkey to add to our turkey disguise FUN!

IN ALL
THINGS
GIVE
THANKS!

= MATH

We spent another week practicing subtraction, finding the unknown part of a story problem and using our Read, Draw, Write strategy to help us solve a number sentence.

Read, Draw, Write Strategy:

1. Read the story problem identifying what we know, what numbers we see/are given, what is happening in the story (adding to or taking from)
2. Draw: model the known parts of the story with pictures/counters (circles)
3. Write: Create an equation and solve to answer the question asked.
