Plan Time: 12:55 – 1:45

As February has arrived, we begin thinking about friendships and Valentine's Day. A donation request will be coming home in communication folders today for a few party items. A few things first

- .....
1. Handing out valentine cards will be allowed. If you wish to have your child hand out valentine cards, cards need to be sent to school on Friday, February 14th. Please leave the to: part of your child's valentines blank (NO name), have your child sign their valentine card and make sure each friend in our classroom gets a card from your child. We have 19 friends in our class.
2. We will be creating valentine bags at school for our cards and treats!
3. Please send all party donations in Thursday, February 13th

This week we began new learning as we began exploring Module 4: Comparison and Composition of Length Measurement.

In this module, we will be measuring using a standard metric length unit: centimeters. We will be using both centimeters cubes and 10-centimeter sticks. This provides meaningful and concrete experiences for students to count on by using tens and ones. This foundation will be further developed in the next module.

As we explored Topic A this week we had the opportunity to focus on direct and indirect length comparison as we used the vocabulary words: shorter than, longer than and shortest to tallest as we directly compared objects lengths end to end.

## AMP Rotation

2/10 – 2/14

Mon.	Tues.	Wed.	Thurs.	Fri.
Music	PE	Art	Music	PE

## UPDATE!

School WILL BE in session for students and staff Monday, February 10th, 2025.

An amended and updated calendar was approved to adjust for the early onset of snow days thus far.

## Here's the 'SCOOP'!

i-Ready mid-year testing results are coming home in your child's communication folder today (Friday 2/7).

### REMINDERS:

Our purpose: TO SHOW GROWTH!

While reviewing your child's performance sheets, a few things to think about/look for:

- ☛ Scale Score placement numbers from test 1 and test 2
- ☛ Growth/movement in domains tested. Continuum movement: Needs Improvement, Approaching Grade \_\_, At Grade \_\_ or Max score.

## DON'T FORGET!

- ☆ Students will have outside

recess unless the 'feels like' temperature is below 20, it is raining or snowing

- ☆ Library Day will be on

Thursday for this week only. Please return library books by Thursday so new ones can be checked out.

- ☆ EVERY DAY COUNTS

JC Schools Attendance Matters
