Phone: 573-659-3155

Plan Time: 8:05 – 8:55

Just a Line..

The next two weeks (April 28th – May 2nd and May 5th – May 9th) we will have a schedule change due to grades 3-5 taking the MAP (Missouri Assessment Program) state required testing.

Due to the school-wide schedule change we will go to AMPS (Art, Music, PE) first thing in the morning (8:05 – 8:55) instead of our normal AMP time of 1:45 – 2:35. Please know all Belair, classroom and learning expectations will stay the same. Students will still be allowed to eat breakfast each morning! If you know your kiddo likes routine, struggles with change Please talk with them about this change and reassure them that:
WE CAN ALL DO IT (Mrs. Hall included – LOL)

We Love Our Earth

This week we explored the 3R's of being kind and loving our Earth --
Reduce, Reuse and Recycle.

Reduce: to use less

Reuse: to use again

Recycle: to make something new out of something old. We loved sharing how we recycle at home and how we can HELP our Earth. Keep up the Great work!

HAPPY Earth Day!

= MATH

This week we began exploring Topic D: Addition and subtraction of Tens.

Using related single-digit facts to add and subtract multiples of 10, Using tens to find an unknown part, determining if a number sentence is true or false and adding tens to a two-digit number were our lesson topics.

Finding patterns in numbers, using known strategies – count on or back, using counting beads on a Rekenrek, modeling 2-digit numbers as tens and ones and creating number bonds were the strategies we modeled and explored this week to expand our thinking and knowledge.

At home extension: practice counting my tens with your child. Give your child a 2-digit number and ask them to mentally count on 10 more continuously (ex: 45 – 55, 65, 75, 85, 95 ...).

AMPS Rotation

4/28 – 5/2

Mon.
Music

Tues.
PE

Wed.
Art

Thurs.
Music

Fri.
PE

GO TEAM GO!

Spring Fever.....

As the weather has changed and we are definitely seeing the sun more and nightly activities have increased, please remind your kiddo the purpose of school, Belair/learner expectations and the importance of being a learner and respectful to all!

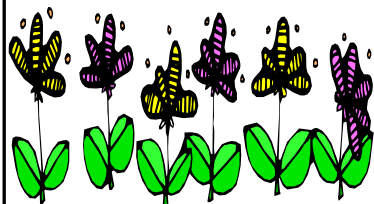

Classroom Schedule

4/28 – 5/9
