October is..... National Bullying Prevention Month

After reading The Recess Queen, we had a class conversation about the problem in the story and how the problem was solved. Again, the problem was solved when kindness was shared. We made awesome connections with text we read last week and how problems were solved! Going a little bit deeper in text we worked together to compare and describe the two main characters in the story (Mean Jean and Katie Sue). After reading What Does It Mean To Be Kind?, we worked together to recall story detail in what the author thinks kindness looks like. Using picture cards we practiced identifying and sorting different situations into kind and unkind groups. Some pictures/situations take lots of thought and processing, but we're still choosing **KINDESS!**

One **KIND** word can change someone's day!

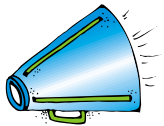

On Friday, November 8th Belair will honor and **THANK** all Veterans for their service and sacrifice with a Veterans Day assembly.

Families may choose to be a part of the celebration by submitting a photo to be shared at the assembly in a slideshow. If you would like to be a part of the slideshow, please enter information for your Veteran and attach a photo in the Google link below by Thursday, October 31st.

☀ NO late submissions will be accepted
