B.E.E. NOTEBOOK

(Home Communication)

This is a daily notebook that will come home each night and needs to be returned each day! Notes from the office, district, myself, lunch services and learning evidence will come home through this notebook. Also included in the notebook, are Belair contact numbers, and a reading log. Please set a goal for yourself to check the notebook each night, read and record the book on the reading log (when they begin coming home in September) and clean out all things sent home in the 'Keep at home pocket.' Any notes, lunch money...that you need to send to school please send back in the 'return to school' pocket. I will check notebooks each morning.

HOPE YOUR
DAY IS
FILLED WITH
SMILES

What an awesome and exciting week we have had getting use to our first grade routines. While reading First Day Jitters we had fun making connections to reading and most excitingly learning that even teachers get nervous and jittery for the first day of school. So, as a class we LOVED washing all our jitters away and getting ready for a fabulous first grade year where we will each shine! Jitter juice (fruit punch, sprite and SPRINKLES --- because sprinkles make everything better) was the perfect recipe for getting us ready for this adventure!

Thanks to everyone who has helped to get their child off to a positive start this year. I look forward to sharing in the growth that your child will achieve. Working together will help us to ensure that your child will develop the skills needed to reach their fullest potential.

As stated before, please feel free to contact me through e-mail or school phone with questions or concerns you might have!
