

Jefferson City High School Profile 2018-2019

Located in the capital city of Missouri, JCHS prepares young people to meet the challenges that await them upon graduation. The high school, along with Simonsen Ninth Grade Center, serves more than 2,500 students. With a broad and diverse curriculum, the high school offers more than 250 courses, including multiple Advanced Placement, dual enrollment courses and honors opportunities. Besides the excellent academic offerings, students may round out their education with a wide variety of extracurricular and co-curricular activities and sports. Jefferson City High School is the flagship school of the Jefferson City Public Schools. Jefferson City High School is an A+ School. The District, which spans 230 square miles and two counties, serves over 9,000 students pre-Kindergarten through adult students.
