Google Classroom
For Parents

What is Google Classroom?

- A tool used by teachers and students to share work electronically.

- Another form of communication between students and teachers.

- A tool used to give the same information to many students at once.

- Runs through the students' school email address.

If you would like to see your students' grades, please login to Infinite Campus.

Getting Started

Your child was provided with a login and

password that is unique to just them.

Ask your child to share this information with
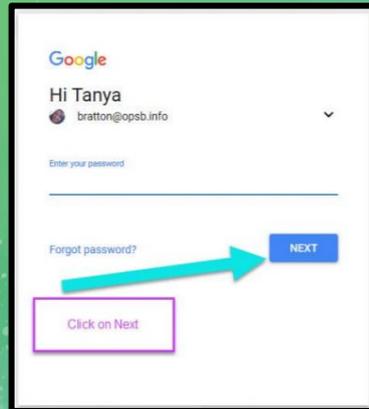

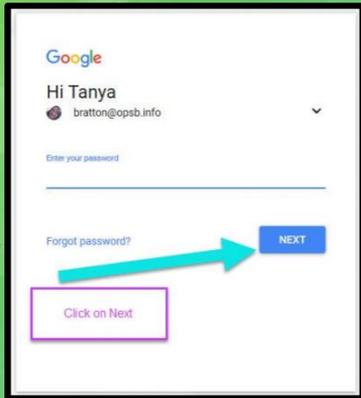

you, or contact their teacher.

If you would like to see your students' grades, please
