 - Social Studies: Tami Barrett, tam.barrett@jcschools.us
 - Special Ed.: Christina Woody, christina.woody@jcschools.us

Teachers' Notes

Parent teacher conferences are this Thursday! Your student's Homeroom teachers look forward to visiting with you!

Mrs. Tyree: Just a reminder that all class materials, notes and homework are posted to Google Classroom. Should a student be absent for an extended period of time, they still have access to all classroom materials :-). Please encourage your student to check Google Classroom daily, even when absent, and to keep up with notes and homework as it is easy to fall behind, very difficult to catch up! :-)

Dates to remember for math:

September 22: Unit test 1 (Math 8)

Social Studies:

Dates to remember for Social Studies:

September 21-Colonies Project will be announced.

September 25-Colonies Project is due

Letter Regarding iPad/Chromebook insurance:

Reminders

- Cell phones are not to be used during the school day. They should remain in backpacks and out of sight.
- Please remind students that their foreheads need to be exposed as they enter the building so the thermal cameras may take their temperature upon entering the building.
- Students are required by the district to wear masks throughout the school day.
- Have students charge their CB each night
- Please have students bring their CB with them to school each day
- Please encourage students to bring a hoodie or sweater with them to school as temperatures fluctuate in classrooms.
