- * I can distinguish the literal and nonliteral meanings
- * I can use conversational, general academic, and domain-specific words and phrases
- * I can read text that is developmentally appropriate
- * I can summarize and sequence the events/plot and explain how past events impact future events
- * I can describe the personality traits of characters
- * I can describe the interaction of characters, including relationships and how they change
- * I can reread, revise, and edit drafts with assistance
- * I can write informative/explanatory texts.
- * I can produce simple and compound sentences
- * I can ask questions to check understanding of information presented.

Math:

- * I can demonstrate fluency with products within 100
- * I can write and solve two-step problems
- * I can find rectangular arrangements that can be formed for a given area.
- * I can decompose a rectangle into smaller rectangles to find the area.
- * I can solve problems involving perimeters of polygons.
- * I can understand that rectangles can have equal perimeters but different areas, or rectangles can have equal areas but different perimeters.

Science: (Unit 4)

- * I can compare and contrast observations on the life cycle of different plants and animals.
- * I can construct scientific arguments to support claims that some characteristics of organisms are inherited from parents, and some are influenced by the environment.

Social Studies:

- * I can identify fact, opinion, point of view in SS topics
- * I can ask questions, investigate, research and present information and artifacts.

Winter Break

We will be back to school on Wednesday, January 3, 2024. I hope your family has a safe and happy Winter Break!

Just a reminder that we go outside unless the wind chill or temperature is 20 degrees or below. Putting your child's name or initials in their outerwear is strongly encouraged.
