Mrs. Eiken's Class

December 16/21 2022

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

- *I can compare and contrast information within and across fiction and nonfiction.
- *I can explain text to world connections.
- *I can compare and contrast to determine the differences between a biography and autobiography.
- *I can explain examples of sound devices, literal/nonliteral meanings and figurative language in nonfiction texts.

Math:

- *I can solve two step problems.
- We will be reviewing and taking our division test when we return.

Writer's Workshop:

- *I can revise my writing.
- *I can use specific, relevant words.
- *I can use correct subject/verb agreement.

Science:

- *I can construct an argument with evidence that some changes caused by heating or cooling can be reversed and some cannot
- *I can **PREDICT** and **INVESTIGATE** that water can change from a liquid to a solid (freeze), and back again (melt), or from a liquid to a gas (evaporation), and back again (condensation) as the result of temperature changes.

Winter Break

We will be back to school on Tuesday, January 4, 2023. I hope your family has a safe and happy Winter Break!

Just a reminder that we go outside unless the wind chill or temperature is 20 degrees or below. Putting your child's name or initials in their outerwear is strongly encouraged.

Our words for phonics are on the back. We will assess on Friday, January 5th.
