## Mrs. Eiken's Class

### December 2, 2022

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

#### Literacy:

\*I can compare and contrast the most important points and key details among nonfiction texts on the same topic.

#### Math:

\*I can multiply and divide with numbers and results within 100.

#### Writer's Workshop:

\*I can find relevant sources to answer my question.  
 \*I can reference sources or authors within my piece.  
 \*I can locate information related to my topic and take notes.

#### Science:

\*I can construct an argument with evidence that some changes caused by heating or cooling can be reversed and some cannot  
 \*I can **PREDICT** and **INVESTIGATE** that water can change from a liquid to a solid (freeze), and back again (melt), or from a liquid to a gas (evaporation), and back again (condensation) as the result of temperature changes.
