At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

*I can express my opinion of read alouds and my independent reading.

*I can use academic vocabulary when reading.

Math:

*I can understand that rectangles can have equal perimeters but different areas, or equal areas but different perimeters. WE WILL BE TESTING OVER CHAPTER 11 NEXT WEEK. WATCH FOR A STUDY GUIDE TO COME HOME. We will be practicing testing on computers, so this test will be taken both on paper and then transferred to chrome.

Writer's Workshop:

*I can express my opinion of read alouds in my independent writing. .

*I can use capital letters in the right places.

*I can write complete sentences using correct punctuation and effective spelling strategies.

At home practice of multiplying single digits would be beneficial to your child. Also practice with telling time and counting money.
