January 29, 2021

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

- *I can explain if a statement is a fact or opinion.
- *I can express my opinion of read alouds and my independent reading.
- *I can use academic vocabulary when speaking.

Math:

- *I can break apart a rectangle into smaller rectangles to find the total area.
- *I can understand that rectangles can have equal perimeters but different areas, or equal areas but different perimeters.

Writer's Workshop:

- *I can express my opinion of read alouds in my independent writing.

Boys and girls may bring a decorated box from home to collect their valentines, or we will have paper bags available here at school.
