Mrs. Eiken's Class

January 6, 2023

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

- *I can identify main idea and details that support the main idea.
 - *I can describe the difference between a biography and autobiography.
- We will be taking our unit assessment next week.

Math:

- REVIEW WILL COME HOME MONDAY NIGHT FOR DIVISION TEST ON TUESDAY. We will then be starting our unit on area/perimeter.
- *I can solve problems involving perimeters of polygons.
 - *I can write and solve two-step problems involving variable using any of the four operations.

Writer's Workshop:

- *I can use correct subject/verb agreement.
- *I can use regular, irregular and helping verbs.
- *I can use an apostrophe to form possessives.

Science:

- *I can construct an argument with evidence that some changes caused by heating or cooling can be reversed and some cannot.
- *I can **PREDICT** and **INVESTIGATE** that water can change from a liquid to a solid (freeze), and back again (melt), or from a liquid to a gas (evaporation), and back again (condensation) as the result of temperature changes.

Social Studies:

- *I can create and use artifacts to share information on social studies' topics.
- *I can identify facts and opinions in social studies' topics.
-
- *I can identify and describe the historical significance of influential Missourians.
- *I can interpret and design maps.

Report cards will go home on the 13th.

Just a reminder we go outside if the temperature is above 20 degrees. Please remind your child to dress for the weather and mark hats, gloves, coats with names/initials.

We are finishing up our unit on division. Continuing to practice multiplication facts at home, in addition to reading for 20 minutes a night, would be great practice.
