- \*I can spell contractions.

#### Math:

- \*I can find the perimeter of a shape by counting units.
- \*I can write perimeter in inches and centimeters.
- \*I can find the unknown length of a side of a shape.

#### Writer's Workshop:

- \*I can use a graphic organizer to organize my writing.
- \*I can write a paragraph with a topic sentence and supporting details.
- \*I can use the writing process to write a paragraph.

#### Spelling:

- \*I can spell these Unit 17 words:

**sure knew it's try told**

We will test over these words on **Friday, January 14<sup>th</sup>**. Although we practice here at school, home practice with these words is also very beneficial.

\*\*\*\*\*

Reading homework being sent home today is due by Monday, January 14<sup>th</sup>. Reading and spelling practice are also daily expectations. Practice with counting coins and telling time would be helpful, too.
