We have finished up our unit on division. Continuing to practice multiplication facts at home, in addition to reading for 20 minutes a night, would be great practice.

Social Studies/Science- We are starting our unit on maps and Martin Luther King, Jr.

Today is the end of our second quarter. We have done so much learning and are ready to take on the second half of our year. Report cards will go home on the 19th.

Just a reminder we go outside if the temperature is above 25 degrees. Please remind your child to dress for the weather and mark hats, gloves, coats with names/initials.
