- *I can identify an unknown factor in a multiplication or division sentence.

Writer's Workshop:

- *I can support topic sentence with facts when developing a draft.
- *I can categorize supporting details.
- *I can address an appropriate audience.
- *I can introduce a topic and develop it with simple facts.
- *I can use specific and relevant words to my topic.
- *I can create a concluding statement.

Science:

- *I can develop a model to compare and contrast observations on the life cycle of different plants and animals.

Social Studies:

In addition to research/reading standards for this unit, students will work on the following:

- *I can explain the major purposes of the Missouri Constitution.
- *I can identify and explain the functions of the 3 branches of government in Missouri.

Thank you for taking the time to meet for conferences. I enjoyed discussing the amazing things that are going on in our class!

I hope you will encourage your child to participate in the Pizza Hut Book It reading program this month. The November record-keeping calendars were placed in your child's Take Home Folder at the end of October. They are required to read for 20 minutes on most days during the month, and in return they receive a coupon for a free personal pan pizza when the calendar is returned with a parent signature. Reading = Eating? Sounds like a win/win situation to me! 😊

PLEASE ENCOURAGE YOUR CHILD TO READ 20 MINUTES NIGHTLY.
