Mrs. Eiken's Class

October 19, 2018

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Reading:

- * I can compare and contrast key elements in various types of fiction.
- * I can identify traits of a character.
- * I can describe the interaction of characters.

Math:

We will be taking our next multiplication test on Tuesday.

- *I can describe patterns.
- *I can find unknown numbers.

Writer's Workshop:

*I can write a paragraph with a topic sentence, details and a closing sentence.

Spelling: *I can spell these Unit 9 words:

four head kind began above

We will test over these words on **Thursday, October 25th**. Although we practice here at school, home practice with these words is also very beneficial.

Reading homework being sent home today is due next Monday. Math should be done nightly. Reading and spelling practice at home are daily expectations.

Specials

Monday: Music
Tuesday: Art
Wednesday: PE
Thursday: Music
Friday: No School

Social Studies/Science- We will be starting our science unit on life cycles of plants and animals.

Wednesday and Thursday are Parent/Teacher Conferences. I look forward to meeting with parents. If you have questions as you look over the information given/discussed, please call or email. We definitely want to keep working together to support your child's academic success. ☺

Thank you for valuing your child's education!

Continue to practice basic addition, subtraction and multiplication facts! Making flash cards is a great idea.
