Mrs. Eiken's Class

October 2, 2020

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Reading:

- *I can summarize the beginning, middle, and end of a story.
- * I can summarize by sequencing the events of a text.
- *I can follow effective listening rules.

Math:

- *I can create an array to model multiplication and find factors.
 - * I can use the Commutative Property of Multiplication to compare two equivalent number sentences.
 - *I can use the properties of 0 and 1 in multiplication.
- WE WILL BE STARTING TO MEMORIZE MULTIPLICATION FACTS - FLASH CARD PRACTICE AT HOME WOULD BE GREAT!

Writer's Workshop:

- * I can ask questions that stay on topic to check my understanding.
- * I can link my comments to others.
