*I can use text and graphic features to locate information and to make and verify predictions.

Math:

*I can multiply using the distributive property.
*I can multiply by 10.

Writer's Workshop:

*I can write a friendly letter.
*I can pick a research topic.

We will test over these words on **Friday, November 2nd**. Although we practice here at school, home practice with these words is also very beneficial.

Social Studies/Science- We will continue our Science unit on life cycles of plants and animals.

Reading homework coming home today is due on **MONDAY November 5**. Math is due daily. Reading and spelling practice at home are daily expectations.

THANKS for attending Parent/Teacher Conferences! Please remember that you can contact me any time that you have questions about your child's academic progress.

As chilly days will be arriving, please be sure your child has appropriate outerwear. We will go outside for recess on most days that it is not raining or snowing. Also be sure your child's name is marked inside these items.

Our Pioneer Day will be Monday, November 19. If you did not sign up to send supplies or work a station at conferences and are interested, please let me know. Thanks for helping us make this a memorable experience for our children.
