At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

*I can determine the meaning of unfamiliar words in text.

We are now doing MAP practice - using our chrome books to do sample questions and discussing test taking strategies.

Math:

*I can organize data.

*I can use and make picture graphs.

*I can use and make bar graphs.

*I can measure length, liquid volume and mass.

*I can problem solve word problems about liquid volume and mass.

Writer's Workshop:

*I can write complete sentences using correct punctuation and effective spelling strategies.

* I can write for extended periods of time.

Spelling:

*I can spell these Unit 28 words:

Although we practice here at school, home practice with these words is also very beneficial.
