## Mrs. Eiken's Class

### April 14, 2023

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

#### Literacy:

We will be reviewing our reading standards, in addition to preparing for testing through our Schoolnet Map practice tests.

#### Math:

- \*I can solve problems involving addition and subtraction of minutes.
- \*I can measure or estimate length, liquid volume and weights of objects.
- \*I can use the four operations to solve problems involving lengths, liquid volumes or weights given in the same units.

#### Writer's Workshop:

We will continue reviewing grammar concepts such as using reference works and capitalizing titles.

#### Science:

- \*I can make a claim about the merit of a solution to a problem caused when the environment changes and the types of plants and animals that live there may change.
- \*I can make a claim about the merit of a design solution that reduces the impacts of weather-related hazards.

#### Social Studies:

- \* I can define economy and give examples of different types of economies.
- \* I can define taxes and explain how taxes are generated and used.
- \*I can explain supply and demand.
- \*I can conduct a personal cost-benefit analysis.

#####

Map testing has been scheduled. We will test April 25-27 and May 2-3. Please help your child get a good night's rest so they are here on time and ready to show what they know! Thank you for your support!
