## Mrs. Eiken's Class

### April 19, 2024

Our learning goals for this week are...

#### Literacy:

We will be Map testing.

#### Math:

\*I can use the four operations to solve problems. WE WILL BE REVIEWING MATH CONCEPTS TO PREPARE FOR MAP TESTING NEXT WEEK.

#### Science:

\*I can make a claim about the merit of a solution to a problem caused when the environment changes and the types of plants and animals that live there may change.

\*I can make a claim about the merit of a design solution that reduces the impacts of weather-related hazards.

#### Social Studies:

\*I can identify fact, opinion, point of view in SS topics

\*I can ask questions, investigate, research and present information and artifacts.

Enclosed is a note card to write an encouraging message to your child for testing. Please return in their folder on Monday, and I will place them on students' desks when we test. Thanks for being your child's biggest cheerleader!!

We will be MAP testing Tuesday, April 23 and Thursday, April 25 in ELA and Tuesday, April 30 and Wednesday, May 1 for math. Students will be able to earn points towards an opportunity to participate in activities at our celebration day. Please help your child get a good night's rest so they are here on time and ready to show what they know! Thank you for your support!
