Map testing has been scheduled. We will test Wednesday, May 4th and Thursday, May 5th in ELA. For math we will test Wednesday, May 11th and Thursday, May 12th. We will also be doing iready testing the week of the 2nd, 9th and 16th. Each student has set a goal and picked what they want to work towards for meeting their growth goals in math and reading. They will also be able to earn points towards an opportunity to bounce in a bounce house the last day of school. Please help your child get a good night's rest so they are here on time and ready to show what they know! Thank you for your support! (A letter is enclosed regarding testing).
