## Mrs. Eiken's Class

### April 29, 2022

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

#### Literacy:

- \*I can identify language that appeals to the senses.
- \*I can use context clues to determine the meaning of an unknown word.

We will be taking our ELA map tests this week and starting our iready reading testing.

#### Math:

- \*I can estimate and measure liquid volume.
- \*I can estimate and measure the weight of objects.
- \*I can solve problems involving liquid or weights in the same units.

#### Writer's Workshop:

We will continue to write poetry as time allows this week.

.....

**Specials**  
**Monday: PE**  
**Tuesday: Art**  
**Wednesday: Music**  
**Thursday: PE**  
**Friday: Art**

Social Studies/Science- We will be reviewing reading concepts, math concepts, and current events using our Scholastic News.

#####

We will be MAP testing Wednesday, May 4th and Thursday, May 5th in ELA. For math we will test Wednesday, May 11th and Thursday, May 12th. We will test first thing in the morning, so please help your child get a good night's rest so they are here on time and ready to show what they know! Thank you for your support! In your child's return to school pocket you will find a notecard. Please write an encouraging note to your child for MAP testing. I will distribute the cards the first day of testing to students to help cheer them on. Thank you for your support!
