

Third Grade News

Mrs. Eiken's Class

April 30, 2021

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

We will be comparing/contrasting poetry this week and will then take our poetry unit assessment. We will then start using practice passages and tools in preparation for our map assessment.

Math:

We will be reviewing on Monday for our measurement test. **Study guide will come home Monday night.** Please help your child look over the guide - this test will include such concepts as telling time to the minute, elapsed time, measuring to the nearest $\frac{1}{4}$ inch with a ruler, mass and liquid volume.

Writer's Workshop:

Writing we will be working on writing a paragraph with a topic and ending sentence. This will include using complete sentences with capital letters and ending punctuation.

Specials

Monday: Art
Tuesday: Music
Wednesday: PE
Thursday: Art
Friday: Music

Midterms are coming home today.

Social Studies/Science- We will be reviewing reading concepts, math concepts, and current events using our Scholastic News.

#####

We made a lot of growth in iready!

The kids worked really hard.

Map testing has been scheduled. We will test Wednesday, May 12th and

Thursday, May 13th in math. For ELA we will test Wednesday, May 19th and

Thursday, May 20th. We will test first thing in the morning, so please help your

child get a good night's rest so they are here on time and ready to show what

they know! Thank you for your support!

In your child's return to school pocket you will find a notecard. Please write an

encouraging note to your child for MAP

testing. I will distribute the cards the first day of testing to students to help

cheer them on. Thank you for your support!
