Mrs. Eiken's Class

April 9, 2021

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

- *I can explain examples of figurative language (idioms).
- *I can explain what an analogy means.
- *I can identify language that appeals to the senses.
- *I can use context clues to determine the meaning of a word.

Math:

- *I can write and tell time to the nearest minute.
- *I can use AM and PM to describe the time of day.
- *I can estimate time intervals in minutes.

Writer's Workshop:

- *I can add repetition to my poem for effect.
- *I can revise my writing by examining my word choice.
- *I can edit my writing by checking capitals and punctuation.
- *I can publish a written piece.

Specials

Monday: Art
 Tuesday: Music
 Wednesday: PE
 Thursday: Art
 Friday: Music

Social Studies/Science- We are working on geometry

- *I can identify polygons.
- *I can describe sides of a polygon.
- *I can classify quadrilaterals.

Map testing is coming up in May. We will be doing math Wednesday, May 12 and Thursday, May 13 and reading on Wednesday, May 19th and Thursday, May 20th. Please try to schedule appointments around those days. Reviewing skills like adding, subtracting, telling time and counting money would be great practice for your child.

We will also need to collect any electronic devices on testing days. They will be collected in the morning and returned before students leave per MAP protocol.
