Mrs. Eiken's Class

March 16, 2023

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Literacy:

*I can draw conclusions and support with text evidence.

Math:

We will be taking our fractions assessment this week.

Writer's Workshop:

*I can write poems that establish a setting and introduce a narrator or characters.

*I can address an appropriate audience when developing a draft.

Science:

*I can **obtain** and **combine** information to **describe** climates in different regions of the world.

*I can **represent** data in tables and graphical displays to **describe** typical weather conditions expected during a particular season.

Social Studies:

* I can define economy and give examples of different types of economies.

* I can define taxes and explain how taxes are generated and used.

*I can explain supply and demand.

*I can conduct a personal cost-benefit analysis.

.....
Thank you for coming to student-led conferences. The students did a great job showcasing their learning.

Map testing is coming up - reviewing skills like adding, subtracting, telling time and counting money would be great practice for your child. Also, nightly reading is always encouraged.

Reminder: Spring Break is March 27- March 31.
