

Third Grade News

Mrs. Eiken's Class

May 3, 2024

Our learning goals for this week are...

Literacy:

We will be finishing up and testing on Unit 10.

Math:

We will be reviewing third grade math skills.

Science:

*I can make a claim about the merit of a solution to a problem caused when the environment changes and the types of plants and animals that live there may change.

*I can make a claim about the merit of a design solution that reduces the impacts of weather-related hazards.

Social Studies:

*I can create and use artifacts to share information on social studies' topics.

*I can select and analyze primary and secondary social studies' sources to determine importance with guidance and support.

*I can conduct and present social studies' research to an audience using appropriate sources.

*With guidance and support, I can use visual tools and informational texts to interpret, draw conclusions, make predictions, and communicate information and ideas.

* I can use appropriate sources to investigate social studies' questions.
