#####

Map has begun!!! We completed ELA this week. The kids worked so hard - I am proud of them. For math we will test Wednesday, May 11th and Thursday, May 12th. We will test first thing in the morning, so please help your child get a good night's rest so they are here on time and ready to show what they know! Thank you for your support!

Students are working towards participating on our bounce house/snacks the last day of school.
