I hope you will encourage your child to participate in the Pizza Hut Book It reading program this month. The November record-keeping calendars should be coming home with your child. They are required to read for 20 minutes on most days during the month, and in return they receive a coupon for a free personal pan pizza when the calendar is returned with a parent signature. If you need log in code again, please let me know. Reading = Eating? Sounds like a win/win situation to me! ☺ This will also qualify them for the Six Flags Read to Succeed ticket.

REMINDER THAT CONFERENCES ARE NEXT THURSDAY THE 5TH AND TUESDAY THE 10TH. I LOOK FORWARD TO SPEAKING WITH YOU!

We will be introducing new math games that you may play at home with your child to help build math skills. Enclosed you will find a copy of Multiplication Squares.
