

Third Grade News

Mrs. Eiken's Class

September 9, 2019

This week's newsletter is in a slightly different format. At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. I thought it might be helpful for you to see these same statements.

Reading:

- *I can share my thinking/learning by turning and talking to a partner.
- *I can find texts to read that are just right.
- *I can be an active thinker when I read.

Math:

- *I can use add and subtract three digit numbers.
- *I can use properties to add and subtract numbers.
- *I can round numbers to the nearest ten and hundred.

Writer's Workshop:

- *I can write during the entire independent writing time.

Specials This Week:

Monday – PE

Tuesday – Art

Wednesday – Music

Thursday – PE

Friday – Art

Make sure your child wears sneakers for PE

Thank you to those who are selling pizzas. This is our only fundraiser that is organized by our school to directly benefit our teachers/classroom needs.

Social Studies/Science- We will be continuing our unit on electricity and magnets.

I have decided to start using Class Dojo again. I feel it is more user friendly and will be using this as a communication tool, not necessarily for behavior points. Your child's code should be in their folder. Thanks for your patience as I experimented!!

We will be taking our reading and math iready tests this week. Remember to help your child find pictures, stickers, etc. to bring in to decorate their writer's notebook.

Please encourage your child to read 20 minutes every night. I would love to hear that you shared a book during our morning meeting!

September

monday	tuesday	wednesday	Thursday	friday
