

Third Grade News

Mrs. Eiken's Class

September 10, 2021

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Reading:

- *I can find texts to read that are just right for me.
- *I can be an active thinker when I read.
- *I can share my thinking/learning by turning and talking to a partner.
- *I can build my reading stamina.
- *I can ask questions that stay on topic.
- *I can follow three-step instructions.

Math:

- *I can use place value to subtract.
- *I can combine place values to subtract.
- *I can solve word problems.

Writer's Workshop:

- * I can build my writing stamina.
- *I can be actively engaged in my roles in writing workshop.

Please read 20 minutes nightly with your child!

Specials
 Monday: PE
 Tuesday: Art
 Wednesday: Music
 Thursday: PE
 Friday: Art

Social Studies/Science- We continue to work on our science unit of electricity and magnets while finishing our iready testing.

We will be sending all graded work, office notes, and newsletters home on Fridays in your child's blue take home folder. This is to maintain school consistency. Please clean out the folder on Fridays and return the following Monday. If you have not yet signed up for Dojo, I am including a code copy. There are some pictures of some of our activities we have done and it's a great place to look for school information. Thanks!

A reminder from Dr. Day:

If sending in birthday treats, it needs to be individually packaged for each student and purchased that way. We suggest something healthy, such as: goldfish crackers packets, fruit snacks, pretzel packets, crackers and cheese, etc.
