September 14, 2018

At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. Our learning goals for this week are...

Reading:

- *I can summarize a story's beginning, middle and end.
- *I can determine a story's central message, lesson or moral.
- * I can summarize and sequence plot and explain how past events impact future events.

Math:

We will post test on Unit 1 math this week - addition/subtraction/rounding. We will then start on interpreting data.

Writer's Workshop:

- * I can use an organizer to plan a paragraph.
- *I can write a narrative paragraph.
- *I can write a topic sentence.
- *I can support my topic with supports and detail sentences.
- * I can use complete sentences in my writing.

Spelling: *I can spell these Unit 3 words:
few those always show large

We will test over these words on Friday, September 21st. Although we practice here at school, home practice with these words is also very beneficial.

Homework coming home today is due on Monday, September 24th. Reading and spelling practice at home are also daily expectations.

Specials

Reminder: Please return field trip permission slips by Friday, September 21st.

Social Studies/Science- We will be continuing our unit on magnets and electricity. We will be testing next week. Watch for a study guide to come home.

I have attached second grade spelling words that the students should have mastered reading and writing. Additional practice reading and writing these words may benefit your child.

We will be participating in the Pizza Hut Book It reading program this year. A calendar will be sent home on the first school day of each month beginning in October. Color in the days that your child reads for at least 15 minutes, and return the calendar to school at the end of the month. Students who read all (or most) of the dates will be given a coupon for a free personal pan pizza. The program runs through March. This will also count towards the Six Flags Read to Succeed. Happy reading....and eating!
