### September 2, 2019

This week's newsletter is in a slightly different format. At West Elementary School, we provide students with "I can" statements to set a purpose for our learning each day. I thought it might be helpful for you to see these same statements.

#### Reading:

- \*I can compare and contrast elements in fiction.
- \*I can find texts to read that are just right.
- \*I can ask questions to check my understanding.

#### Math:

- \*I can use mental math to solve problems.
- \*I can estimate sums and differences.
- \*I can use place value to subtract.
- \*I can round numbers to the nearest ten and hundred.

#### Writer's Workshop:

- \*I can write for an extended period of time.
- \*I can write on one topic.
- \*I can write complete sentences.
