

# First Date in District

---

## **Purpose**

The First Date in District field is used for MAP and EOC accountability. If a student has been enrolled in our district for a “Full Academic Year”, he/she will be included in our district test results for accountability purposes. If a student has not been enrolled a “Full Academic Year”, he/she will be excluded from accountability. The “Full Academic Year” calculation is based on the number of instructional days the student was enrolled in our district.
